

REMARKS

Reconsideration of the subject application in view of the present amendment is respectfully requested.

By the present amendment, Claim 1,3,4 and 6-9 have been cancelled. Claims 10-13 have been added. Claims 2 and 5 have been amended to provide their proper dependency.

Based on the foregoing amendments and the following remarks, the application is deemed to be in condition for allowance, and action to that end is respectfully requested.

Claims 10-13 correspond in scope to claims 4 and 7-9 which were indicated as being allowable upon having been cowritten in independent form to include all of the limitations of the base claim and any interviewing claim (s). Accordingly, it is respectfully submitted that claims 10-13, which are claims 4 and 7-9 so rewritten, and claims 2 and 5, amended to depend on an allowable claim 10, are in condition for allowance.

CONCLUSION

In view of the foregoing, it is respectfully submitted that the application is in condition for allowance, and allowance of the application is respectfully requested.

Should the Examiner require or consider it advisable that the specification, claims and/or drawings be further amended or corrected in formal respects, in order to place the case in condition for final allowance, then it is respectfully requested that such amendment or correction be carried out by Examiner's amendment and the case passed to issue. Alternatively, should the Examiner feel that a personal discussion might be helpful in advancing this case to allowance, the Examiner is invited to telephone the undersigned.

Respectfully submitted,

Alexander Zinchuk, Reg. No. 30,541
